Angle Locks

Dreambaby® Angle Locks help prevent children opening drawers.

To Install:

1. Thoroughly clean and dry all surfaces.
2. With the Angle Lock assembled, position lock in desired position [A]. Mark with pencil.
3. While assembled, peel off backing tape and press firmly into position.
4. As with most adhesive products, stronger adhesion is achieved by allowing adhesive to set for several hours. If possible, allow 24 hours for maximum adhesion.

To Use:

Push outward on the side release while opening the drawer etc. [B].

Locks automatically when drawer etc. is closed.

To Remove Product:

Use rubber cement solvent, eucalyptus oil, or similar type of product. Keep remover out of the reach of children.

To Relocate Product:

Replace adhesive tape with 'strong' double sided tape.

Caution: There is no substitute for proper adult supervision. This product is only a deterrent. Discontinue use when child is able to open it.

Warning: This Lock is not to be used with appliances which generate heat. Do not use this product on oiled surfaces, as the adhesive will not stick.

A

B

Note: All dangerous and toxic substances, sharp edged or pointed objects should always be kept 'high up' or in an area totally inaccessible to children.

Look for the Dreambaby® range of Child Safety and Care Products.

Tee-Zed acknowledges that its customers may be entitled to statutory consumer guarantees and does not seek to exclude or limit them. These guarantees include that Tee-Zed's products are of acceptable quality. This Tee-Zed product is for the specific purpose detailed in the instructions and packaging and Tee-Zed considers use outside of that purpose to be abnormal use. To the maximum extent permitted by law, Tee-Zed does not accept any liability for damage:

- arising from abnormal use of the products;
- caused by installation or removal of the products other than in accordance with the supplied installation and removal instructions; or
- arising under the law of tort or contract.
